Welcome Message

On behalf of the Organizing Committee, it is with great pleasure that we welcome you to the Joint Meeting of the International Cancer Imaging Society (ICIS) and the Oman Radiology and Molecular Imaging Society (ORMIS), taking place on January 30-31, 2026 in Muscat, Oman.

This meeting represents a significant collaboration between two societies committed to advancing excellence in cancer imaging. By bringing together international experts, regional leaders, we aim to foster the exchange of knowledge, showcase the latest trends in cancer imaging from head to toe, and promote best practices that will enhance patient care and outcomes.

We are delighted to host this meeting in the beautiful country of Oman, renowned for its rich culture, warm hospitality, and breathtaking landscapes.

Over the course of these two days, participants will have the opportunity to engage in interactive case-based learning, with a focus on cutting-edge technologies and practical clinical applications. This meeting provides a unique platform to build new partnerships and strengthen global and regional networks in the fight against cancer.

We warmly welcome you to this joint meeting and look forward to a fruitful exchange of ideas, rich discussions, and inspiring collaborations. May your participation be both professionally rewarding and personally memorable.

With best regards.

Dr Bachir Taouli
Honorary Secretary
International Cancer
Imaging Society

Dr Yahya Al Brashdi
President
Oman Radiological and
Molecular Imaging Society
Muscat, Oman

ICIS in Oman | Cancer Imaging: Case-Based Teaching

Day 1 | Friday

30th January 2026

07:30 - 08:30 REGISTRATION

SESSION 1

08:30 - 08:40	Intro to Course	Bachir Taouli
08:40 - 08:50	Intro to Oman Radiological Society	Yahya Albrashdi
08:50 - 09:25	Brain Tumors	Giovanni Morana (Torino)
09:25 - 10:00	Head and Neck Tumors	Robert Hermans
10:00 - 10:35	Lung Cancer Imaging	Faiza AlKindi

10:35 - 11:15 BREAK AND NETWORKING

SESSION 2

11:15 - 11:50	BIRADS for Breast MRI	Sarah Vinnicombe
11:50 - 12:25	Gallium 68 Applications in Oncology	Zamzam AlBimani

12:25 - 13:30 LUNCH BREAK

SESSION 3

13:30 - 14:05	LI-RADS	Khaled Elsayes
14:05 - 14:40	Biliary Tract Tumors	Giovanni Morana (Treviso)
14:40 - 15:15	Metastatic Liver Disease	Bachir Taouli
15:15 - 15:50	Pancreatic Cancer Staging and Restaging	Giovanni Morana (Treviso)

END OF SYMPOSIUM

Track B: Technologists Track

Day 1 | Friday**30th January 2026****07:30 - 09:00 REGISTRATION****SESSION 1**

09:00 - 09:30	An Evaluation of the Diagnostic Accuracy of eFAST Ultrasound and CXR in Traumatic Pneumothorax	Manar Al Sawai
09:30 - 10:00	Establishing DRL in Interventional Radiology Procedures	Naeema Al Maimani
10:00 - 10:30	Everything Technologists Need to Know About Neuro MR Imaging	Dr. Abdulhameed Alwabari

10:30 - 11:00 COFFEE BREAK**SESSION 2**

11:00 - 11:30	CT Contrast in High-Risk Patients	Golnaz Hamed
11:30 - 12:00	Dose Optimization in Obese Patients	Dr. Saeed Al-Qahtani
12:00 - 12:30	Non-conventional MRI Parameters Trade-Off	Dr. Abdulhameed Alwabari

12:30 - 13:30 LUNCH BREAK**SESSION 3**

13:30 - 14:00	Building the Radiology Department of Tomorrow: Insights from Oman's AI Integration	Mohammed Al Maamari
14:00 - 14:30	Conceptual MRI Safety	Dr. Abdulhameed Alwabari
14:30 - 15:00	Auditing in Radiography Department	Dr. Saeed Al-Qahtani

END OF TRACK

ICIS in Oman | Cancer Imaging: Case-Based Teaching

Day 2 | Saturday

31st January 2026

08:00 - 9:00 **BREAKFAST**

SESSION 1

09:00 - 09:35	Staging Gastric Ca	Humood AlDhuli
09:35 - 10:10	Rectal Cancer Staging and Restaging	Bachir Taouli
10:10 - 10:45	Renal Neoplasms	Harriet Thoeny

10:45 - 11:15 **BREAK AND NETWORKING**

SESSION 2

11:15 - 11:50	PI-RADS	Harriet Thoeny
11:50 - 12:25	O-RADS	Isabelle Thomassin-Naggara

12:25 - 13:30 **LUNCH BREAK**

SESSION 3

13:30 - 14:05	Ovarian Cancer-Epithelial Tumors	Aws Kamona
14:05 - 14:40	Whole-Body MRI	Dow-Mu Koh
14:40 - 15:15	Uterine/Cervical cancer	Isabelle Thomassin-Naggara
15:15 - 15:50	Adrenal Masses	Khaled Elsayes

15:50 - 16:00 **CLOSING REMARKS** Bachir Taouli and Yahya Albrashdi

END OF SYMPOSIUM

Track B: Technologists Track

Day 2 | Saturday

31st January 2026

07:30 - 09:00 REGISTRATION

SESSION 1

09:00 - 09:30	Radiation Protection: Hints and Tips	Dr. Saeed Al-Qahtani
09:30 - 10:00	Different Approaches to Improve MRI Image Quality	Dr. Abdulhameed Alwabari
10:00 - 10:30	Occupational Radiation Dose in Interventional Radiology: Multi-Role Assessment	Naeema Al Maimani

10:30 - 11:00 COFFEE BREAK

SESSION 2

11:00 - 11:45	Panel Discussion - Future of MRI & AI in Radiology	Moderated Session
11:45 - 12:15	Exploring Clinical Training Gaps in Interventional Cardiology: A Radiographer's Perspective	Noof Mohamed Althawadi
12:15 - 12:30	Role of imaging in staging and management of breast cancer	Manar Al Sawai

12:30 - 13:30 LUNCH BREAK

SESSION 3

13:30 - 14:00	The Impact of AI on the Radiology Chain: A New Era in Medical Imaging	Dr. Athari Al Zaabi
14:00 - 14:30	Applications of Dual energy CT	Dr. Salwa Al Lawati
14:30 - 15:00	Talks in MRI	Dr. Abdulhameed Alwabari

15:05 - 15:15 CLOSING REMARKS Conference Chair

END OF TRACK
